At this moment, I would like to share with you all a great achievements of our school that we secured A+ grade for one of the best school out of 5 schools in the district for organizing the following activities in the year 2019-2020.

The School launched its first ever plastic free campus. The club flagged off its activities that year by inspiring the students to say '**Good Bye to Plastic**'.

They promoted the concept of Reduce-Recycle-Reuse. They emphasized on alternatives to plastic by paper pen, paper carrying bag making.

Nallapadam volunteers took initiative and planted a vegetable garden in the school compound to propagate the idea of organic farming for the better and healthier life style. Varieties of vegetables were grown and the veggies were given away to the Darul Aman Orphanage.

Students past and present are what a school is all about. It is the students who create, sustain and enhance a school's reputation during and beyond their school years.

I owe all the success to all the Teachers, Students, PTA and parents. I thank the entire team of DAEMS.

Before concluding the report, I bow my head in reverence to the Almighty God for the blessings bestowed on us.
